

# About LearnMate

Learnmate is a reputable community platform that serves as a bridge, connecting students to top-notch tutors and mentors eager to impart their expertise and domain knowledge. Established in 2015, Learnmate's mentors and [tutor](#) have become the preferred choice for individuals and families throughout Australia who seek tailored 1:1 or small-group instruction.

Every year, thousands of Australians turn to Learnmate to enhance their academic grades, acquire new abilities, elevate their professional or personal skills, and ultimately increase their confidence through tutoring and coaching. Boasting hundreds of high-quality tutors who are available both in-person and online, Learnmate is equipped to match every learner's needs and facilitate their journey toward reaching their potential.

Every tutor is thoroughly vetted for quality and permitted to offer their services on Learnmate only if they meet a baseline level of qualification and experience. We also partner with independent entities to guarantee our standards surpass recognized benchmarks in the industry.

At Learnmate, we take immense pride in delivering a dependable, respected, and positive experience for all members of our community. We eagerly look forward to welcoming you to join us. The language of instruction is English.
