

I Can Help You Find the Perfect Prompt!

I understand you're looking for a prompt, but I need a little more information to create the perfect list for you. Let's figure out what kind of prompt you want:

1. Writing Prompts

Do you have a particular [genre](#) in mind? Maybe you want to explore fiction, non-fiction, poetry, or something else entirely.

Do you prefer prompts that are more open-ended or more specific?

Are there any themes you're interested in? Fantasy, mystery, romance, historical - the possibilities are endless!

2. Code Challenges

What [programming language](#) are you most comfortable with? Whether it's Python, JavaScript, C++, Java, or something else, I can tailor the challenge to your skills.

What [difficulty level](#) are you aiming for? Beginner, intermediate, or advanced? We can find a challenge that's just right for you.

Do you have any specific data structures or algorithms in mind? Or are you looking for something more general?

3. Quiz Questions

What [subject](#) are you passionate about? History, science, literature, pop culture - the world is your oyster!

How challenging do you want the questions to be? Easy, medium, or hard?

What [format](#) do you prefer? Multiple-choice, true/false, or open-ended questions?

4. Conversation Starters

Where will this conversation take place? A party, work, online, a coffee shop - the setting can influence the conversation.

Do you have any specific [topics](#) in mind? Travel, movies, books, current events - anything is fair game!

Do you prefer light-hearted or serious conversation starters?

Once you tell me more about your preferences, I can put together a list of prompts that are perfect for you. Let's get started!
