

Annual Program Review Update

Select the academic year you are reporting on

Program Title

Individual completing form (name and title)

What one program learning outcome did you focus on this past year?

What data did you review and analyze related to the program learning outcome? (e.g. key assignments, end of course evaluation qualitative data, end of program survey data)

Provide a brief analysis of the program learning outcome data you reviewed.

What changes, if any, will you make as a result of this analysis?
