

Writing Prompts:

1. Write a short story about a lost object with a secret history.
2. Describe a world where everyone can read each other's minds.
3. Imagine you wake up one morning and find you can talk to animals. What do you do?
4. Write a story about a character who discovers a hidden talent they never knew they had.
5. A group of friends embark on a road trip to a destination that holds a special meaning for them. What happens along the way?
6. Write a story where the main character is forced to make a difficult choice with no easy answers.
7. Describe a world where technology has advanced to the point where it can control emotions.
8. Write a story about a character who discovers a hidden world within their own city.
9. A group of strangers are trapped together in a mysterious location. How do they survive and escape?
10. Imagine a world where dreams are real and can affect the physical world.

Coding Challenges:

1. Write a function that takes a string as input and returns the number of vowels in the string.
2. Create a program that simulates a dice roll, allowing the user to specify the number of dice and the number of sides.
3. Write a program that sorts a list of numbers in ascending order.
4. Create a program that calculates the factorial of a given number.
5. Write a function that takes a list of numbers as input and returns the average of the numbers.
6. Create a program that generates a random password with specific criteria (length, character types).
7. Write a function that checks if a given string is a palindrome.
8. Create a program that converts a decimal number to binary.
9. Write a function that takes a list of words as input and returns the longest word.
10. Create a program that simulates a simple game of tic-tac-toe.

Conversation Starters:

1. What's the most interesting piece of advice you've ever received?
2. If you could have any superpower, what would it be and why?

3. What's your favorite way to spend a rainy day?
4. What's the most beautiful place you've ever been?
5. What's your favorite childhood memory?
6. If you could travel anywhere in the world, where would you go and why?
7. What's the most important lesson you've learned in life?
8. If you could have dinner with any historical figure, who would it be and why?
9. What's your biggest dream or aspiration?
10. What's the most valuable thing you own?
