

Guide to Downloading and Authorizing your ArcGIS 180-day Student Trial

1. Before installing ArcGIS Desktop, [check the system requirements](#) to make sure your computer can run ArcGIS.
2. Go to [Software Trial Webpage](#). Make sure ArcGIS 10.3x is selected. On the right, register for a free trial. Follow the instructions to create a new ESRI Account.
3. You will be prompted to enter the authorization code (from inside back cover of your workbook) and click Activate ArcGIS.
4. You should be prompted to select the desired ArcGIS Desktop software version (10.3x or 4 if not available).
5. Download ArcGIS for Desktop (ArcMap). This will take some time to download. **Do not attempt to open the file until it is completely downloaded.**
6. Extract the downloaded files to your desktop and launch the setup wizard.
7. When prompted, select ArcGIS for Desktop **Advanced Single Use**. When prompted, accept the default, **I do not wish to authorize any extensions at this time**. The extensions will be authorized automatically.
8. When prompted enter your authorization number: EVAxxxxxxxx (again from the back of your workbook) If your software still is not authorized do the following:
9. Go to the website <https://www.esri.com/studentedition> Select the option - I have an Esri Account and sign in with your credentials. Place the EVA code on the blank space and click on Activate.
10. Now go back to the start menu of your computer All Programs > ArcGIS folder > ArcGIS Administrator. Click on Desktop folder > Select the software product to be used for ArcGIS Desktop applications > Click on Authorize Now.
11. Select the first option - I have installed my software and need to authorize it.> Click Next.
12. Select the first option - Authorize with Esri now using the Internet > click Next.
13. Key in your information details > click Next. Continue to provide information details > click Next.
14. Key in EVA license number of ArcGIS for desktop (EVAxxxxxxxx)>Click Next all the way > Click Finish.
15. Your software should now be authorized and ready to use. If you have any trouble completing these procedures and need help you can call ESRI Support at: Esri Technical Support (USA only): Tel: (888) 377-4575, Standard Support 5AM-5PM (PT) Monday – Friday. If that doesn't work then contact IThelpdesk@heritage.edu.
